# Starting OUT

NUS commemorates its 115th year of founding in 2020. Established in 1905 as a modest medical school with 23 students, NUS is today widely known for its innovative and rigorous education, research and entrepreneurship, which has nurtured generations of leaders and luminaries across industries, professions and sectors in Singapore and beyond.

With NUS115, we proudly celebrate the University's transformative impact over 115 years and its continual efforts at shaping the future for a better world.

## KENT RIDGE CAMPUS

NUS' main campus since 1980, the sprawling 150-hectare Kent Ridge Campus hosts most of the University's academic, research and administrative facilities. It is also a bustling hub of student life, with student residences, sports facilities and venues for arts and cultural activities.

University Town (UTown) – an extension of the Kent Ridge Campus – offers a unique residential college experience, as well as a host of educational and recreational spaces for interaction, peer learning and personal development. UTown is also home to Yale-NUS College, Singapore's first liberal arts college with a full residential programme.

## OUTRAM CAMPUS

Located among many of the nation's key medical institutions, the Outram Campus houses the Duke-NUS Medical School (Duke-NUS). Duke-NUS' innovative medical education programme with a distinctive research focus is designed to develop medical leaders in research, education and patient care.

# BE AN ENTREPRENEUR

**T**HERE are many avenues for a budding entrepreneur in NUS to get inspired, pick up the right skills and develop an entrepreneurial mindset.

NUS Enterprise actively promotes entrepreneurship and cultivates global mindsets and talents through the synergies of experiential entrepreneurial education, active industry partnerships, holistic entrepreneurship support and catalytic entrepreneurship outreach.

## NUS OVERSEAS COLLEGES

[overseas.nus.edu.sg](http://overseas.nus.edu.sg)

One of the University's flagship programmes, the NUS Overseas Colleges programme is specially designed to help students with entrepreneurial drive gain start-up skills and experience. Students can intern at start-ups while studying part-time at prestigious overseas universities in leading entrepreneurial hotspots in Canada, China, Indonesia, Israel, Sweden, the United States and Vietnam, as well as Singapore. A new location in Japan will be launched in July 2020.

## NUS START-UP RUNWAY

Students who are working on or hope to develop their own start-ups can turn to the NUS Start-Up Runway for support. It provides funding and validation support, market assessments, consultation and mentoring services, access to events and workshops amid a passionate start-up community.

## BLOCK71

BLOCK71 is an initiative by NUS Enterprise in collaborative and strategic partnerships with established corporates and government agencies. It forms part of a global network of innovation and entrepreneurial gateways to and from NUS, through providing programmes as a technology ecosystem builder and business connector with an objective to catalyse, aggregate and develop competencies of the start-up community.

BLOCK71 Singapore, located at JTC Launchpad, houses a thriving community of entrepreneurs, investors, developers and mentors, and is home to hundreds of tech-related start-ups, venture capitalists and incubators.

BLOCK71 has expanded beyond Singapore to BLOCK71 San Francisco, BLOCK71 Jakarta, BLOCK71 Suzhou, BLOCK71 Bandung, BLOCK71 Yogyakarta and BLOCK71 Saigon (*opening in 2nd quarter 2020*). These locations enable a two-way flow of talent, technologies and start-ups between Singapore and other entrepreneurial hubs, while facilitating even greater information exchange, connectivity and access to programmes for start-ups and entrepreneurs.

To find out more about the NUS entrepreneurial ecosystem, visit [enterprise.nus.edu.sg](http://enterprise.nus.edu.sg).

Launched in 2018, the Graduate Research Innovation Programme (GRIP) is the NUS Industry Liaison Office's flagship innovation programme. GRIP provides step-by-step guidance to postgraduate students and researchers to transform research into deep technology start-ups. Under this programme, the University has committed S\$25 million to co-create up to 250 companies over five years.

To find out more about GRIP, visit [nus.edu.sg/grip/](http://nus.edu.sg/grip/)

## THE HANGAR BY NUS ENTERPRISE

The Hangar by NUS Enterprise is the campus base where like-minded individuals gather to pursue their entrepreneurial curiosity and passion, as well as nurture business ideas and start-ups. Entrepreneurs can enjoy the use of a wide range of workspaces and benefit from other amenities and services like dedicated mentorship, idea validation and test-bedding capabilities while they focus on their entrepreneurial pursuits.

## NUS ENTERPRISE@SINGAPORE SCIENCE PARK

Strategically located next to the University, NUS Enterprise@Singapore Science Park leverages a ready pool of students, academics and researchers to create a deep technology community. It focuses on innovation in the nascent deep technology space, such as in the areas of food science and technology, artificial intelligence, future health and environmental solutions.

## COMMUNITY & EVENTS

From Innovfest Unbound to Kopi Chats, NUS Enterprise supports and engages the entrepreneur community with more than 400 events all year round. These events provide students and start-ups with opportunities to learn and network, and act as catalysts of growth for the community.

# MAKING NEW FRIENDS

**T**AKE your pick of student organisations, societies and interest groups offering a wide array of social and professional opportunities.

Develop your leadership skills, pursue your passion and expand your network of friends by engaging in a diverse range of student-run activities.

## NUSSU CLUBS AND COMMITTEES

[nussu.org.sg](http://nussu.org.sg)

All full-time undergraduate students are members of the NUS Students' Union (NUSSU) and their respective faculty constituent clubs. NUSSU, led by the NUSSU Council and Executive Committee, comprises a total of 15 constituent clubs and nine committees.

NUSSU traces its roots to its early predecessor, the University of Malaya Students' Union (UMSU), which was established in 1949. UMSU then evolved into the University of Singapore Students' Union (USSU), and took its present form as NUSSU in 1980, following the inception of NUS.

Generations of NUSSU executive committee members and volunteers gathered at the NUSS Kent Ridge Guild House on 23 August 2019 to reconnect with old friends and celebrate the Union's 70th anniversary.

## STUDENT ARTS GROUPS

cfa.nus.edu.sg

Participation in the arts encourages creativity to flourish and positively enhances students' development and academic outcomes. The NUS Centre For the Arts (CFA) inspires students to unleash their passion through the arts – visual arts, dance, music and theatre.

Augment your studies by getting involved with one of NUS' Arts Excellence Groups. These groups, supported by CFA and

tutored by dedicated industry artistes, cover traditional Asian dances to the latest in hip-hop, and from classical symphonies to avant-garde electronic music.

NUS unveiled its very own University Cultural Centre (UCC) in 2000. Besides hosting the annual NUS commencement ceremonies, the UCC is a popular venue for various performances by students and staff, Singaporean arts companies and international artistes, and state events.

# CARING FOR THE COMMUNITY & ENVIRONMENT

**T**HE

University's unstinting support for community service is a tradition instilled by our predecessors more than a century ago. As a student, you can get involved in many student-driven activities to reach out to the less fortunate.

NUS DAY OF SERVICE

RAG AND FLAG

## NUS DAY OF SERVICE

The annual NUS Day of Service on 7 September 2019 saw a record 2,411 NUS staff, students and alumni participating in community service activities for more than 5,500 beneficiaries. It featured some 54 activities across 10 categories ranging from animal welfare, environment and sports, to the elderly, children and youth.

## RAG AND FLAG

The annual charity event organised by the NUS Students' Union (NUSSU) is a unique tradition established since the 1950s to inculcate a spirit of giving and volunteerism among NUS students. It also provides a platform for new undergraduates to integrate into the NUS community. Over the past five years, nearly S\$2 million has been raised for beneficiaries through NUSSU Rag and Flag.

## NUS VOLUNTEER NETWORK

Established in December 2007, the NUS Volunteer Network comprises the NUS Volunteer Action Committee, Red Cross Youth – NUS Chapter, Rotaract NUS and NUS Students' Community Service Club (CSC). This network seeks to provide a platform to share ideas, experiences and best practices relating to volunteering. It also serves as a platform to provide a wider range of volunteering opportunities to the NUS community.

STUDENT VOLUNTEERS FROM NUS CSC COLLABORATED WITH TRANSIENT WORKERS COUNT TOO ON A NEW INITIATIVE CALLED "PROJECT WE ARE ONE"

## SEEDS OF GOOD PROGRAMME

The community development learning programme, jointly launched by NUS Office of Student Affairs and NUS Office of Alumni Relations on 20 March 2019, seeks to empower NUS students to collaborate with the community, social service organisations and corporations to

promote social causes or address issues faced by communities both within NUS and beyond. The student teams have since initiated over 80 projects with community partners of their choice and engaged in activities to enhance the well-being of the community and/or environment.

SEEDS OF GOOD PROGRAMME

## GREEN NUS

Our environmental student groups play a big part in promoting campus sustainability and acting as a catalyst for change in areas such as resource consumption and sustainable lifestyles.

### GREEN BAZAAR

To promote responsible consumption, yearly or biannual clothing swap events are organised for students and staff to exchange secondhand items. The surplus items are donated to student-run projects and other causes.

### PLASTIC BAG TAX SCHEME

Since 2008, a 10-cent charge per plastic bag has been imposed to encourage consumers to switch from using plastic bags to reusable bags at canteens, convenience stores and bookstores.

The tax proceeds go to the NUS Sustainability Fund that supports environmental projects run by NUS students.

### PROJECTS BOX AND TUMBLER

Projects Box and Tumbler were introduced in NUS canteens and other selected food and beverage outlets in 2010 and 2012 respectively. These are rebate schemes funded by the Plastic Bag Tax Scheme, aimed at encouraging NUS students and staff to bring their own lunch boxes and tumblers for takeaways.

### REUSABLE BAG LIBRARY

Launched in 2018, the Reusable Bag Library provides easily accessible alternatives to plastic bags at retail outlets on campus, such as Cheers convenience store.

Reusable bags are regularly refilled at the library racks whenever possible. The NUS community is encouraged to borrow, return and contribute additional bags at the collection points.

# Explore **CAMPUS LIFE**

Student accommodation on campus gives you a taste of independent living, and our halls of residence, student residences and residential colleges offer you the comforts of "a home away from home" environment. You will also meet new people, participate in social events and forge lifelong friendships.

## HALLS OF RESIDENCE

The Halls are vibrant communities dedicated to experiential learning. Through a myriad of programmes and activities, students get a chance to explore new interests and pursue new experiences, as well as hone their analytical and leadership skills. The Halls are well known for their vibrant co-curricular activities, as well as their rich history and culture. Each Hall is led by a Hall Master, a team of Resident Fellows and an elected student committee.

CINNAMON COLLEGE

## RESIDENTIAL COLLEGES

Combining the vibrancy of campus living with exciting multidisciplinary academic programmes, residential colleges offer students an integrated residential learning environment, where they get to learn and live alongside their professors and peers. Each residential college is led by a Rector, a Master, a team of Faculty Fellows and a student committee, who define each College's academic tone and character.

The University Scholars Programme (USP) is housed in Cinnamon College. The rigorous interdisciplinary USP curriculum allows students to develop core academic and professional skills that complement their strengths in their majors and to see connections across disciplines.

The University Town College Programme (UTCP) is a two-year residential programme offered at College of Alice & Peter Tan, Residential College 4 and Tembusu College. Designed as a coherent delivery of general education, the UTCP emphasises multidisciplinary learning and active small-group learning. Students from different disciplines, cultures and nationalities are put together in each class, which helps them to assimilate and synthesise cross-disciplinary knowledge, facilitating multiperspectival thinking.

The two-year Ridge View Residential College Programme adopts an integrated interdisciplinary approach that is designed to cultivate students' holistic

development to prepare them for life in the University and the work environment after graduation. Students can also look forward to opportunities for close engagement with industry players and prominent individuals from the public and private sectors.

# LEARNING RESOURCES

A multitude of state-of-the-art multimedia facilities are available throughout the campus while our modern libraries are well-stocked with learning resources and study facilities.

## COMPUTING COMMONS

*Education Resource Centre, Level 1*

*University Town*

*Open 24 hours*

The Computing Commons offer iMacs (Mac Commons) and Windows desktops (PC Commons) for use. Within these Commons are smaller rooms fitted with LCD TVs to facilitate meetings and group discussions.

## MULTIMEDIA HUB

*Education Resource Centre, Level 1*

*University Town*

The Multimedia Hub enables students to hone their skills in media content creation. The Audio Recording Booth is equipped for recording talking head presentations and voice presentations. The Visualisation Suite supports audio-video post-production and web content creation.

## COLLABORATIVE LEARNING

### ACTIVITY ROOM

*Central Library, Level 1*

This multi-purpose space provides a plug-n-play environment for learning programmes (such as gamification for learning) or simply a collaboration space to meet your learning needs.

## DIGITAL SCHOLARSHIP LAB

*Central Library, Level 4*

The Digital Scholarship Lab offers a dedicated space for users working on humanistic research projects. It offers facilities such as high-performance workstations, big multi-touch screens, cloud data storage access and specialised software to support computationally intensive processing and visualisation.

## TEL IMAGINARIUM

*Central Library, Level 4*

The TEL ('Technology Enhanced Learning') Imaginarium showcases immersive tech tools that facilitate experiential learning and teaching. These tools include a mixed reality room, virtual and augmented reality (VR/AR) headsets, and a digital graffiti wall, among others.

## **YUSOF ISHAK HOUSE Commit**

### ***Yusof Ishak House, Level 3***

Tucked away in a corner at the Yusof Ishak House, CommIT offers desktops, as well as printing and scanning facilities for students' use.

## **THINKLAB**

### ***Computer Centre, Level 3***

The first lab in NUS to provide a virtual desktop experience, ThinkLab is NUS IT's initiative to offer highly efficient computing using a fraction of the energy of traditional PCs. Equipped with virtual Windows desktops and iMacs, this lab runs 24/7 to provide a comfortable and quiet place for students to work. Printing services are also available.

# STUDENT SERVICES

**W**HETHER you're looking for career advice, information on admissions and financial aid, student housing or urgent medical attention, help is always available.

## **YUSOF ISHAK HOUSE**

The Yusof Ishak House (YIH) is a vibrant student hub, housing the NUS Students' Union (NUSSU) and various societies. It is also a meeting place where students take a break, gather over meals, or study

at the student lounge, training rooms or outdoor plaza. The Centre for Future-ready Graduates, Student Service Centre and Student Support Services Unit are located at the YIH.

PITSTOP@YIH

## **CENTRE FOR FUTURE-READY GRADUATES**

The Centre for Future-ready Graduates (CFG) prepares students to thrive in a world of constant change, ensuring that they are ready for their future careers. CFG offers access to career-readiness programmes, career and internship opportunities, professional career advisory and valuable industry insights.

## **DISABILITY SUPPORT OFFICE**

NUS strives to provide an inclusive and nurturing campus environment for students with disabilities and special education needs to achieve their fullest potential. Supportive services and resources are available to facilitate an enriching and meaningful student life.

## **STUDENT SERVICE CENTRE**

The Student Service Centre is the convenient contact point for information on frontline services like academic and administrative matters, student bills as well as student housing applications.

## **STUDENT WELLNESS**

The Student Wellness unit promotes a culture of self-care and community care on campus through activities and programmes. You can unwind at PitStop@YIH or look up any of the Peer Student Supporters if you need a listening ear. This cosy haven also offers the latest assistive technologies to support students with special needs.

## **UNIVERSITY HEALTH CENTRE**

### **20 Lower Kent Ridge Road, Level 1**

The University Health Centre has three divisions – Health Service, University Counselling Services, and Wellness Outreach – to tend to the community's physical and mental well-being.

## **VICTIM CARE UNIT**

The Victim Care Unit provides a central point of contact for NUS students affected by sexual misconduct. Facilitated by trained professionals, it offers a private and safe place where students can seek support in confidence.

## **VISITORS CENTRE**

### **Stephen Riady Centre, Level 1**

The Office of Admissions is co-located with the Visitors Centre in the Stephen Riady Centre at University Town. Visitors and students – prospective and current – can find out more about NUS, including admission matters, undergraduates programmes, scholarships and financial aid schemes, and booking of campus facilities.
